Professional Summary

Dedicated Junior Software Engineer and frontend developer with a strong foundation in collaborative engineering, operational execution, and user experience design. Blends rigorous technical training from FES Institute with hands-on IT infrastructure experience and D1 athletic leadership, bringing an exceptional work ethic and focus on building intuitive, high-performance web applications powered by modern AI workflows.

Education & Certifications

FES Institute — Frontend Development Bootcamp & Virtual Internship

Graduate (HTML, CSS, JavaScript, TypeScript, React, Next.js, Redux, Node.js) · [View Certificate & Portfolio Showcase](#)

- Completed intensive frontend engineering coursework and practical virtual internship, building responsive, accessible, and high-performance user interfaces.

Central Community College — Columbus, NE

Candidate for Certificate in Cybersecurity (Expected May 2027)

- Coursework in Python Programming, Linux Server Administration, and network security architectures.

University of Michigan — Ann Arbor, MI

Undergraduate Studies (Attended until January 2026)

University of Nebraska — Lincoln, MI

Undergraduate Coursework (Attended until January 2023)

Featured Projects

Production-ready web applications built with Next.js, React, and TypeScript, focused on responsive interfaces, interactive experiences, and AI integration. Project details, demos, and the certificate showcase are at ernest-hausmann-portfolio-website.vercel.app.

- Summarist — Next.js, TypeScript, Redux, Firebase, Stripe, Tailwind CSS
- Ultraverse — Next.js, TypeScript, React, Tailwind CSS
- Movie Grab — React, JavaScript, React Router

Internships

Skinstric — Virtual Internship

Frontend Developer · [View Application](#)

- Built the frontend for Skinstric's AI skincare experience, guiding users through a personalized routine tailored to their skin needs.

Professional Work Experience

Loup Power District — Columbus, NE

IT Systems & Infrastructure Intern (June 2026 – Dec 2026)

- Optimized internal operational interfaces and workstation provisioning workflows to improve user experience and system reliability for technical staff.
- Collaborated on security gateway configuration (SEL-3620/3622) and systems architecture documentation, ensuring intuitive technical handoffs and robust endpoint performance.

Hy-Vee Foods — Columbus, NE

Operations Specialist (March 2020 – June 2026)

- Streamlined inventory management and digital workflow organization to enhance operational efficiency and customer-facing service standards.

Leadership & Community Impact

Light Beneath the Well Foundation

Founder & Executive Director (2023 – Present)

- Directed non-profit infrastructure and community resource initiatives, managing stakeholder engagement and digital asset coordination.

Athletic Leadership & Honors

University of Michigan — Ann Arbor, MI

Team Captain & National Champion (2023 – 2025)

- Selected by teammates as Team Captain (2025), fostering team communication, accountability, and daily focus.
- Contributed during the 15-0 postseason run and the 2023 NCAA Division I Football National Championship.
- Earned 3rd Team All-Big Ten honors (2025) and Honorable Mention selections (2024, 2025).
- Received the Roger Zatkoff Award (2024) as the Most Outstanding Linebacker after leading the team in total tackles (89).
- Received the Blue Collar Award (2024) for work ethic, consistency, and dedication in practice and preparation.
- Named a Jason Witten Collegiate Man of the Year Semifinalist (2025) for community impact and personal integrity.

- Selected by coaching staff as a Big Ten Media Days Representative (2025).

University of Nebraska — Lincoln, NE

True Freshman Starter (2022)

- Started as a true freshman, earning a varsity letter and Blackshirt defensive recognition.

Community Service & Engagement

Samaritas — Michigan

Adoption Ambassador (2025 – Present)

- Support child welfare awareness initiatives through community outreach and advocacy for foster care networks.

Juvenile Detention Facilities — Detroit & Ann Arbor, MI

Youth Mentor & Speaker

- Participate in mentorship programs focused on personal development, goal-setting, and positive decision-making.

C.S. Mott Children's Hospital — Ann Arbor, MI

Patient Engagement Volunteer

- Visit and support pediatric patients and families during hospital stays.

Special Olympics & Youth Camps

Community Event Volunteer

- Assist with logistics and coordination for youth development sports camps.

Core Competencies & Tech Stack

Frontend & Web: HTML, CSS, JavaScript, TypeScript, React, Next.js, Tailwind CSS, Redux, GSAP, Three.js

Tools & Systems: Git, GitHub, Vercel, VS Code, Cursor AI, Python, Linux Administration, Network Configuration
